## Registration

Your child may ONLY be checked out to the authorized people that are identified by you in the Parent Portal System. Bay District Schools (BDS) has an online registration process. All parents MUST complete the online process each year. All school registration/updates must be completed through the Bay District Parent Portal website [www.bay.k12.fl.us](http://www.bay.k12.fl.us). To register, you MUST be signed up for Bay District Parent Portal and have a valid password.

## Miscellaneous Items Dropped Off During the Day

If you drop off items for your student during the day (lunches, money, shoes, forms, homework, etc.), we will email the teacher to notify the student. This is an effort to avoid classroom interruptions and allows the teacher to send the students to pick up their items when it is convenient.

## Phone Calls

You may call to speak to your child's teacher before and after school, or during their planning time. You may also email them—all email addresses are listed on the BPA website. We do not put calls through to the classroom so that you may speak to your child. If you receive a call from the school, the caller should leave a message. If there is no message, then they will call you back.

## Crosswalk Between BPA & Arnold High School

The crosswalk is not open to the general public. This crosswalk is only to be utilized before and after school by teachers and students of staff at BPA and Arnold High School. **No exceptions!**

## Attendance

Students are expected to be in school, to be on time and to stay all day unless prohibited by illness or other serious crisis. Florida Law 232.01F.S. requires children ages 6-16 to be in regular attendance in school and holds parents accountable for meeting this requirement (232.09F.S.S). Your child is in jeopardy of violating these statutes as indicated below:

- 5 or more absences (excused or unexcused) in a month
- 10 or more absences (excused or unexcused) in the past 90 days. Enforcement of school attendance 232.17 F.S. School Board Policy 7.10r; 7.105
- 15 or more unexcused absences in the past 90 days, Habitual Truant 39.01F.S.

An absence is defined as being more than 5 minutes tardy, leaving more than 15 minutes early, or missing more than a ½ day of school or class period. Criteria for approved absences as stated by the School Board include: illness, medical care, death in the family, legal reasons, religious holidays, pre-approved family leave, or school sanctioned activities. Parents are required to justify each absence of the student within 24 hours of the absence with a written excuse to the school. If the above absences are found unexcused, you or your child may also be at risk for:

- Notification to AFDC: we are required to notify the AFDC office when recipients of AFDC are not attending school regularly. This could result in a reduction of benefits.
- Court action for truancy

If a prolonged absence is foreseen by the parent, a request can be made through the office that makeup work be gathered for the child and picked up in the office after 2:15. A request for makeup work is not necessary if the child is out only one day. For the protection of your child during the school day, students may not leave the school campus unescorted. If it is necessary for a child to leave school, parents must sign the child out in the office. Teachers will not release students unless notified that the child has been signed out in the office.

## Checking Out Students

We will call them up when you get here. We cannot call students up to the front office before you arrive to check him/her out. Excessive check outs are disruptive to the teachers and students. Please try to keep your child at school unless you have a legitimate reason for checking out. Students may not check out after 1:30. **Bring Your Driver's License When You Come to School.** You will need it every time you check your student out and/or to come on campus!

## **Protecting Instructional Time and Limiting Classroom Interruptions**

We want to ensure the success of "Every Ray, Every Day." In order to ensure the best possible learning environment, it is crucial that we that we protect instructional time and keep classroom interruptions to a minimum.

If you prefer to walk your student to class, you must arrive prior to the tardy bell. Please remember that you must check in at the front office prior to proceeding to any destination on campus. Parents will not be permitted to escort their child to the classroom after the tardy bell rings.

If you choose to deliver a hot lunch to your student, you must arrive at your child's designated lunch time and meet your child in the cafeteria. Calls to classrooms during instructional time to inform your student that their lunch has arrived interferes with valuable instructional time. You are welcome to stay and enjoy lunch with your student but you must meet them in the cafeteria. Please remember that you must first check in at the front office and obtain a visitor's badge.

Please ensure each morning prior to school that your child is aware of how they are going home. For elementary students, please send a signed note to your child's teacher if there is a change. Students will only be released to individuals that you have authorized through Parent Portal. Calls to change transportation home need to be reserved for emergency situations only! We want to ensure all of our students arrive to their proper after school destination safely. It is difficult to communicate last minute transportation changes to the teachers at the end of the school day. Planning in advance and letting your child and your child's teacher know prior to the start of the school day of any changes, will help limit classroom interruptions and ensure safe dismissal.

Calls will not be transferred to the classroom during instructional time. If you need to schedule a conference with your child's teacher, you may leave a message with the front office or email the teacher directly. The teacher will return your call at their earliest convenience during non-instructional time.

## **Student Drop Off/Pick Up Policy**

Safety is one of our top priorities. Student drop off and pick up is **PROHIBITED** in the parking lots and the bus loop in ALL circumstances. This will be strictly enforced. You must use the car loop. Students may be dropped off in the morning beginning at 7:15. If you prefer to walk with your child, you must park in an approved parking space in the parking lot at the front of the school and escort your child to the door. The parking lots adjacent to the cafeteria and the gym will be reserved for faculty and staff only.

Please note that with an increase in our school choice enrollment, the car traffic will also increase! Please plan accordingly and leave a few minutes earlier in the morning. Your compliance with this policy is crucial in order to ensure the safety of all of our students.

## **School Visitation Policy**

We welcome parents and visitors on our campus! In order to promote campus safety, we require all visitors and parents to report to the front office and receive a visitor's badge prior to reporting to any location on campus. Parents and visitors may be screened upon presenting any of the following forms of identification at the front office:

- 1. A state-issued driver's license or identification card (all 50 states)**
- 2. A United States Military identification card**
- 3. A consular identification card issued by the government of Mexico**
- 4. A United States Permanent Resident Card**

Any other form of identification including passports must be screened by the District's Safety and Security office. An appointment should be made with Mike Jones' office by calling **767-4127** to expedite this procedure. The school will be notified by the Department once an individual has been cleared to visit campus.

## **Pets - No pets are allowed on campus unless they are certified service animals.**

### **Bus Stops**

The Bay District School Board provides buses and drivers for the transportation of students. Bus stops are set by the School Board and not by the bus drivers or the school. Please discuss the following with your child: (1) arrive at the bus stop five (5) minutes before bus time, (2) stand off the side of the roadway while awaiting the bus, and (3) obey the driver at all times. If you have questions or concerns regarding the transportation of your child, please feel free to call the school at 767-1190, or transportation at 767-4494.

### **Car and Bus Transportation Changes**

If you know you have a change in your child's PM transportation (change to car rider or bus rider), please send a note and/or email the teacher to relay the message. We know that sometimes there are last minute changes that cannot be helped, but it is disruptive

to the students and teachers when we have to contact them regularly about these changes. If you must call in a change, please call prior to 1:00 pm so we will have time to get the message to your child.

### **Car Riders**

Students who ride with their parents are expected to report to school **no earlier than 7:15 each morning** and go to the lunchroom for breakfast or to their designated area before going to classrooms. Students are expected to leave campus when they are dismissed. **No supervision is provided before 7:15 a.m. or after school. Students may be dropped off and picked up only at the assigned area next to the Administration building.**

As names and phone numbers change, please keep your child's information updated through the Bay District Parent Portal website [www.bay.k12.fl.us](http://www.bay.k12.fl.us).

### **Medication**

Medication (including anything over the counter, i.e. cough drops, Tylenol, etc.) may not be on campus or administered to a student with-out a completed "Permission to Administer Medication" form. Robin Jones is our K-3 counselor and Janet Bailey is our 4-8 counselor.

### Textbooks and Media/Technology Material

Textbooks, library books and other school materials are loaned to pupils by the Bay District School Board. If these articles are lost or damaged, students will be required to pay for them.

### Care of School and Personal Property

We try to instill students pride in the appearance of their school. Students must not mark on school furniture, walls, ceilings, floors, or equipment with pens, pencils, markers, or any other instruments. Students must not tamper with fire alarms, fire extinguishers, plants, trees, or any other electrical system in the school. Anyone who willingly destroys school property through vandalism, arson, or larceny, or who creates a hazard to the safety of our students will be referred to the proper law enforcement agency. SKATEBOARDING IS PROHIBITED!

Students are cautioned not to bring large amounts of money, radios, iPods, cell phones, tablets or cameras to school. The school is not liable for damaged electronics. If a student wears glasses or watches, we ask that the student take responsibility for the care of them. If it is necessary to bring more money than needed to pay for lunch, students should leave it with the teacher for safekeeping. Students should not leave money or other valuables in the desks. We are not responsible for any damaged or lost items.

### Field Trips

Field trips of educational interest will be arranged by the teacher at various times. In order for children to participate, permission slips must be signed by the parent or guardian and returned to the child's teacher. Chaperones must have an approved application on file. Chaperones for any field trips must be cleared through the fingerprint process with the Safety Office. No money will be refunded for school field trips.

### P.T.O.

The Parent Teacher Organization plays an important role in the life of Breakfast Point Academy. Our annual fund raising projects bring together parents, students, teachers, and community supporters for a time of fun, good eating and fellowship. The money that is raised by the PTO goes to worthwhile school projects such as purchasing classroom computers and other materials for enhancing the students' learning environment.

### School Volunteers

Volunteering contributes to the quality education of our students and is also a rewarding experience for volunteers. Volunteers are an important part of our school. Volunteer jobs run from short-term projects such as helping on a field trip to longer-term commitments such as reading or spelling tutors. There are even volunteer jobs that can be done at home. **If you would like to volunteer at our school, please complete and submit a volunteer application for a background check to the front office. A new application must be completed each school year.**

## **Bay District School's Academic Grading Scale**

Your child's grades are available for your review at any time on the **Bay District Parent Portal System** by registering and logging in at [www.bay.k2.fl.us](http://www.bay.k2.fl.us)

A	90-100	Outstanding Progress	S	Satisfactory
B	80-89	Above Average Progress	N	Needs Improvement
C	70-79	Average Progress	U	Unsatisfactory
D	60-69	Lowest Acceptable Progress		
F	0-59	Failing		

### **Assessment Principles and Practices**

1. The primary purpose of a grade is to communicate the level of standards mastery a student has achieved in a given subject.
2. **Formative & Summative Assessments** - Formative assessments are used for student practice and teacher feedback. Formative assessments will not be counted towards the final grade. Summative assessments measure student achievement at the end of a unit, course, term, or year providing teachers with information for making final judgments about student mastery.
3. **Missing Assignments and "Incompletes"** - In Parent Portal, the term "Missing" will indicate any missing student work during the grading period. At the end of a grading period, any missing work will factor into the final grade as a temporary zero that will be adjusted once the student completes the assessment. If there are missing summative assessments during a quarter, the quarterly grade may be reported as incomplete until the student completes the required assessments and will show as an "I" in Parent Portal and on the report card.
4. **Zeroes** - The only situation in which a zero may be used is when a student has completed an assessment and demonstrated no mastery of the standard(s) on that assessment. Zeroes will not be used to indicate missing assignments.
5. **Communication of Behavior** - Communication of student behavior is done via teacher-initiated contact with parents/guardians during the grading period and via the conduct grade on the report card at the end of the grading period. Behavior will not factor into a student's grade.
6. **Retakes/Reassessments** - Teachers will provide students with multiple and various opportunities to demonstrate their level of mastery.
  - a) Reassessments will be provided for summative assessments or parts of summative assessments if the summative assessment is divided up by standard. Reassessments occur during the school day unless teacher and student make other arrangements
  - b) The intent of a reassessment is not for students to get an "A." The intent of a reassessment is to provide students an additional opportunity to show standards' mastery. Prior to a reassessment the student is required to show appropriate evidence of additional learning as determined by the teacher. Examples of additional learning include peer tutoring, teacher tutoring, revising their work, practicing the skill in a given way, and other similar activities.
  - c) The reassessment will not be identical to the original assessment.

**\*\*FOCUS/Parent Portal is the OFFICIAL grade of record.**

## **Student Discipline**

Breakfast Point Academy is Positive Behavior Support (PBS) School, which gives stakeholders a new way to think about behavior. PBS is based on understanding why problem behaviors occur - the behavior's function. PBS is the application of evidence-based strategies and systems to assist schools to increase academic performance, increase safety, decrease problem behavior, and establish positive school cultures.

PBS provides a positive and effective alternative to the traditional methods of discipline. PBS methods are research-based and proven to significantly reduce the occurrence of problem behaviors in the school, resulting in a more positive school climate and increased academic performance. PBS is consistent with the Individuals with Disabilities Education Act, which advocates the use of positive behavior interventions and school-based disciplinary strategies that reduce or eliminate the need to use suspension and expulsion as disciplinary options.

It is the policy of the School Board that there shall be zero tolerance of misbehavior of all kinds. Schools and teachers may develop individual rules and disciplinary practices which supplement the School Board rules but do not conflict with those rules. Discipline should be applied after consideration of the eventual effect on the behavior of the student and should promote improved conduct. Students shall be subject to the provisions of this policy while attending school or on school premises, at any school function, or on any school sponsored transportation. Parents, legal guardians or adult students will be financially responsible for any damage to school property. A student's academic grade shall not be reduced as a disciplinary measure.

## **Bullying**

### **Expectations of Bay District School Board in regard to bullying (Policy 7.207)**

The School Board expects students and employees to conduct themselves in keeping with their levels of development, maturity, and demonstrated capabilities with a proper regard for the rights and welfare of other students and school staff, the educational purpose underlying all school activities, and the care of school facilities and equipment.

1. The School Board prohibits the bullying of any student or school employee:
  - a. during any educational program or activity conduct by the District;
  - b. during any school-related or school-sponsored program or activity or on a District school bus;
  - c. through the use of any electronic device or data while on school grounds or on a computer system, or computer network of the District. The physical location or time of access of a computer-related incident cannot be raised as a defense in any disciplinary action initiated under this section;
  - d. through threats using the above to be carried out on school grounds. This includes threats made outside of school hours, which are intended to be carried out during any school-related or school-sponsored program or activity, or on a District school bus; or
  - e. while the District does not assume liability for incidences that occur at a bus stop or en route to and from school, a student or witness may file a complaint following the same procedures for bullying against a student and the school will investigate and/or provide assistance and intervention as the principal/designee deems appropriate, which may include the use of the School Resource Officer.
2. All administrators, faculty, and staff, in collaboration with parents, students, and community members, will incorporate systemic methods for student and staff recognition through positive reinforcement for good conduct, self-discipline, good citizenship, and academic success, as seen in the required school plan to address positive school culture and behavior,
3. Student rights shall be explained as outlined in this policy and in the Student Code of Conduct.
4. Proper prevention and intervention steps shall be taken based on the level of severity of infraction as outlined in this policy and in the Student Code of Conduct.

The full policy is available at [www.bay.k12.fl.us](http://www.bay.k12.fl.us) or your child's school.

## **Student Participation in the Pledge of Allegiance**

Florida HB 7029, signed into Law by Governor Rick Scott on April 14, 2016, amended Florida Statute 1003.44 by spelling out requirements. In accordance with the law, upon written request from the student's parent/guardian, Bay District students may be excused from participation in the Pledge of Allegiance.

Updated provisions, effective July 1, 2016, from the FL Statute 1003.44 include:

"I pledge allegiance to the flag of the United States of America and to the republic for which it stands, one nation under God, indivisible, with liberty and justice for all."
- The Pledge of Allegiance shall be rendered by students standing with the right hand over the heart.
- The Pledge of Allegiance shall be recited at the beginning of the day in each public elementary, middle, and high school in the state.
- Each student shall be informed by a written notice published in the student handbook or a similar publication pursuant to s. 1006.07(2) that the student has the right not to participate in reciting the pledge. Upon written request by his or her parent, the student must be excused from reciting the pledge, including standing and placing the right hand over his or her heart.
- When the pledge is given, non-exempt students must show full respect to the flag by standing at attention, men removing any headdress, except when such headdress is worn for religious purposes.

If you would like your student to be exempt, please contact your child's school directly. The school will advise you how to proceed with your written request.

3. The principal renders a decision on the transfer request within two weeks of the form being received.

2. The principal schedules a parent-teacher conference (required attendance by the parent and teacher and facilitated by the principal) to discuss the parent's concerns.
3. The principal renders a decision on the transfer request within two weeks of the form being received.
