

Students entering the 4th grade will be expected to know their Multiplication Facts 0-12. Knowing these facts will make their transition into 4th grade MUCH easier.

Below is a list of the Sunshine State Readers for the 09-10 school year. Fourth graders can read these books and compete for a spot on his/her class team in the spring competition for Battle of the Books. Then he/she will have the privilege to compete in a school wide and then possibly a county wide Battle of the Books. Students must know the title and the author as well as answer questions about each book. Start reading them over the summer to get a head start.
