## From the Principal:

May 2009

Hiland Park Community,

I will be transferring to Patterson Elementary School as Principal. I have had a great two years working with you and your child(ren). I am blessed to have been given this wonderful opportunity. # Hiland Park Elementary School PTO

---

Hello from PTO,

I can't believe this year is almost over. We have been very busy and accomplished a lot. PTO was able to update the ITV equipment, purchase some new technology equipment and a few computers, provide field trips for the students, and help P.E. purchase another unit of playground equipment. I would like to thank all the hard working volunteers and staff at Hiland Park that made my job so rewarding and fulfilling. I have met so many great people this year.

PTO has selected Sandra Chisholm for Volunteer of the Year!! Sandra has served on the PTO board in the past and has been instrumental in running the AR store for 2 years. I would personally like to say "Thank You" to Sandra for all her help to me this past year. She was always ready and willing to help whenever and wherever she was needed. We will miss her at Hiland Park, especially her handwriting, crafty skills, and of course her positive attitude!!! We wish her and her family well as they move on to the next step of their lives. Congratulations on behalf of the entire PTO board. Sandra has been a valuable team player. She gives 100% to everything she does, and we could not have accomplished a lot of the things PTO did without her help. Thanks Sandra, for all your hard work and effort that you have given to PTO and Hiland Park through the years.

For the volunteers that will be leaving Hiland Park, I wish you all the best at your new locations. I hope you have fond memories of your volunteer experience with PTO. You will be missed.

I hope everyone has a great summer and I look forward to seeing you all next year.

Denise Watson,  
PTO President
